SECOND SUNDAY
IN ORDINARY TIME
January 19, 2014

I will make you a light to the Nations,
That my salvation may reach
To the ends of the earth.

Isaiah 49:6b

Flu Season Guidelines from the Diocese of Oakland

- One may not come any public place (including Church) when not feeling well.

- Presiders, Deacons, Hospitality Ministers, Greeters and Ushers should carefully wash their hands before and after Mass. Consideration might also be given to refraining from shaking hands.

- Holy Water at church entrances should be cleaned regularly (at least weekly) and containers washed, dried and disinfected before being refilled.

- Consider distribution of Holy Communion under the species of bread only and not the cup to the assembly during the flu season. In any case, remind the Eucharistic Ministers of the cup regarding the proper use of the purificator (i.e. wiping both the inside and the outside of the rim and the slight turning of the chalice after each communicant.)

- Remember to purify chalices properly by a thorough cleansing.

- Consider the “Orans” posture for the Lord’s Prayer instead of holding hands.

- Consider a verbal exchange of the sign of peace and not a handshake.

- Consider receiving Holy Communion on your hands and not on the tongue.

**THE CATHOLIC CHURCH—HERE COMES EVERYBODY**

This popular way of describing the universality of our Church is a theme of today’s readings. The prophet Isaiah tells of God’s servant who will be the “light of the nations.” It will not be enough for this servant only to bring back the survivors of Israel’s dispersion and captivity. God’s salvation must reach to the ends of the earth.

Saint Paul writes to a local church of mainly Gentiles and presumably former sinners of all kinds in Corinth. He greets them and tells them that they are to take their place with “saints everywhere” in the name of Jesus Christ.

The Gospel reading from John tells of Jesus’ commissioning by the Father in the Holy Spirit to bring salvation to all, to take away the sins of the world. This Chosen One has come to baptize the world in God’s Spirit. Everybody.

As you hear these words, consider your own task to bring the good news of salvation to everyone you will meet in the coming days, weeks, years.

**BLESSING OF CANDLES**

On Sunday, Feb. 2, (Presentation of the Lord) we will have the “Blessing of Candles” at the 10:30am Mass. The candles in the boxes at the front of the church near the baptismal font will be blessed on this day. You may make a donation of $5.00 and take a candle from the box and place it into the basket. These candles will be burned throughout the year during Mass. On that day, you may also bring your own candles to be blessed for your use at home.

**BLESSING OF THROATS**

We celebrate the feast day of St. Blaise on Monday, Feb 3, at the 7:00 am and 8:15 am Masses.

It has been said that St. Blaise had helped a mother with her small boy, who was choking on a fishbone stuck in his throat. St. Blaise prayed over the child and he was healed. Every year on St. Blaise’s feast, two candles tied with ribbon in the shape of St Andrew’s cross (X) are used to bless throats.

In the prayer, the church prays that those blessed may be delivered from diseases of the throat and from every other illness.

**Preventing the Flu: Good Health Habits Can Help Stop Germs**

1. **Avoid close contact.** Avoid close contact with people who are sick. When you are sick, keep your distance from others to protect them from getting sick too.

2. **Stay home when you are sick.** If possible, stay home from work, school and errands when you are sick. You will help prevent others from catching your illness.

3. **Cover your mouth and nose.** Cover your mouth and nose with a tissue when coughing or sneezing. It may prevent those around you from getting your illness.

4. **Clean your hands.** Washing your hands often will help protect you from germs.

5. **Avoid touching your eyes, nose or mouth.** Germs are often spread when a person touches something that is contaminated with germs and then touches his or her eyes, nose or mouth.

6. **Practice other good health habits.** Get plenty of sleep, be physically active, manage your stress, drink plenty of fluids, and eat nutritious food.

LA IGLESIA CATÓLICA—
AQUÍ ENTRA TODO EL MUNDO
Esta manera popular de describir la universalidad de la Iglesia es un tema de las lecturas de hoy.

El profeta Isaías nos cuenta del siervo de Dios que será “luz para las naciones”. No será suficiente para el Siervo reunir a los israelitas sobrevivientes del exilio y el cautiverio. La salvación de Dios deberá alcanzar hasta los confines del mundo.

San Pablo escribe a una de las iglesias locales en Corinto compuesta en su mayoría de gentiles y presuntamente antiguos pecadores. Los saluda y les dice que deberán tomar su puesto entre todos aquellos que por todas partes invocan el nombre de Cristo Jesús.

La lectura del Evangelio de san Juan nos cuenta como Jesús fue designado por el Padre mediante el Espíritu Santo para traer la salvación a todos y quitar el pecado del mundo. El Elegido ha venido a bautizar al mundo con el Espíritu de Dios. A todos.

Al escuchar estas palabras, considera tu propia tarea de llevar la Buena Nueva de salvación a todos los que cruzarán tu camino en los próximos días, semanas, años.

LECTURAS DE HOY
Primera lectura — Te voy a poner como una luz para el mundo (Isaías 49:3, 5-6).
Salmo — Aquí estoy, Señor, para hacer tu voluntad (Salmo 40 [39]).
Segunda lectura — A los que Dios santificó en Cristo Jesús . . . tengan bendición y paz (1 Corintios 1:1-3).
Evangelio — Ahí viene el Cordero de Dios, el que quita el pecado del mundo. El es el Hijo de Dios (Juan 1:29-34)

**Buenos hábitos de salud para la prevención**

1. **Evite el contacto cercano con otras personas.** Evite acercarse a personas enfermas. Si se enferma, manténgase alejado de otras personas para protegerlas y evitar que ellas también se enfermen.
2. **Quédese en casa si está enfermo.** Si es posible, quédese en casa y no vaya al trabajo, la escuela ni a lugares públicos si está enfermo. De esta manera, ayudará a evitar que otros se contagien de su enfermedad.
3. **Cúbrase la boca y la nariz.** Cúbrase la boca y la nariz con un pañuelo cuando tosa o estornude. Esto puede evitar que quienes estén cerca de usted se enfermen.
4. **Lámpiese las manos.** Lavarse las manos a menudo le ayudará a protegerse contra los gérmenes.
5. **Trate de no tocarse los ojos, la nariz ni la boca.** Con frecuencia, los gérmenes se propagan cuando una persona toca algo contaminado con esos gérmenes y luego se toca los ojos, la nariz o la boca.
6. **Tenga buenos hábitos de salud.** Duerna lo suficiente, sea activo físicamente, controle el estrés, beba muchos líquidos y coma alimentos nutritivos.
